

## **Annual Parish Meeting 29<sup>th</sup> April 2013**

### **Longstanton Grasshoppers Cricket Club Report**

- Both our senior teams demoted last season, despite both finishing above the relegation zone but suffered from a lack of games (due to bad weather) and a league restructure.
- Colts teams all did well in respective leagues
- This season struggling with lack of adult helpers and adult members.
- Membership is currently 15 over 18s and 85 under 18s
- This season the club is running two Saturday teams, one mid-week team and four junior teams at Under-10, Under-11, Under-13 and Under-15
- Issues: need to raise some serious funding to replace cricket net and the non-turf pitch. Also looking to work with the Parish Council and the Football Club to improve the quality of the outfield and football pitches.
