

Annual Parish Meeting 29th April 2013

Hatton Park Primary School Report

- The school is now part of a Multi Academy Trust (Cambridge Primary Education Trust) with Histon & Impington Junior School and Histon & Impington Primary School as from 1st December 2012.
- The schools in CPET are using the opportunity to benefit from the freedoms and flexibilities of Academy status, to share best practice and work together to bring about sustained improvements to provide excellence for all their pupils.
- The vision is to develop a self-sustaining partnership of schools that provides an outstanding education for all their pupils by offering a broad and balanced curriculum whilst remaining embedded in the local community.
- Appointment of Matthew Try as Head of School in September 2012. Mrs Lesley Birch continues as Executive Headteacher
- Total number of pupils as of 18th April: 175. Pupil numbers projected to grow to around 200 over next 5 years.
- Good progress is being made across the school. Lots of school to school support with teachers, support staff and governors working together across the three schools. Additional support for Key Stage 2 children from teachers at Swavesey Village College.
- Parent survey in March 2013: vast majority of respondent agree or strongly agree that improvements continue to be made and the school is moving in the right direction. 95% of respondents would recommend the school to other parents.
