

Little Leprechauns' Report 2015

Little Leprechauns continues to be a highly popular and well attended playgroup.

We are a volunteer-run weekly group which meets during term time on a Friday morning for under-4s with parents/carers. We provide a play space with ride-on trikes, tunnels, a wide variety of toys and a baby area. The group is structured with a free play time, a quiet story time with individual small bowls of fresh fruit for all the children, followed by a craft time. We try to provide a good variety of crafts, including some which produce special keep-sakes in addition to the usual mess of paint and glitter.

Together, the village toddler groups provide a much needed social outlet for both the toddlers and their carers. We would welcome the opportunity to contribute ideas and requirements for any updates to the Institute or future village social buildings, as we feel particularly limited by the present storage and kitchen facilities.

We continue to be grateful to the Parish Council for their support, without which the group would not be financially viable.
