

Little Leprechauns

We meet each Friday from 9:30am until 11:00am in term-time and cater for pre-schoolers. The sessions each include a craft activity and a story time with fruit as well as the play time. Tea and coffee is provided for the adults. On average the group has 15 families attending.

Over the last term we have made Mothering Sunday cards, gingerbread men and planted sunflowers amongst other crafty things.

The group provides a service to local families to get to know one another in a friendly atmosphere with lots of fun things for the pre-schoolers to get up to. The group runs on a small budget from the subs collected which covers the cost of the craft activities and the fruit and drinks provided.

Thank you for your interest and support.
