

Longstanton Limpers

We are a group of amateur runners who meet twice a week to train together in a social environment. From those who have never run for more than the bus, to seasoned runners, anyone who fancies joining us is welcome.

If you wish to compete there are plenty of local events in 5K, 10K and half marathon distances that someone else will be entering, just ask and we're sure you'll find a suitable running partner.

We meet at 6.45pm Tuesday and Thursdays at the entrance to The Pavilion car park in Longstanton.

We are just a social group so you run at your own risk.
