

Longstanton Tennis Club

Report to Parish Council – Monday 28th April 2014

The 2013 season got off to a good start in April with the St Georges Fun Day. The tennis club agreed to help out with the welly wanging competition and managed to raise some much needed funds for the church.

Our own social calendar kicked off on 7th June with a Cheese & Wine evening in the Pavilion which was a great success.

On 7th July we had our own Summer Fun Day to coincide with the men's finals at Wimbledon. Our tennis tournament was followed by a splendid bbq and was capped by watching Andy Murray's win over Novak Djokovic in the Pavilion afterwards.

We also arranged junior coaching sessions in July and August which proved very popular and were well attended by all age groups.

The weather was reasonable throughout the summer and our own teams were busy with the fixtures for both the men doubles and mixed doubles matches in the Business House League. The men's and the mixed doubles teams performed admirably. The men's double team won Division 2 and were promoted to Division one.

There have been an influx of new members this year particularly families moving into the latter stages of the Home Farm development.

The tennis club alongside the other sports clubs continues to support the Parish Council, the Pavilion and other worthy causes in the village.
