

LONGSTANTON PARISH COUNCIL

**SAFEGUARDING CHILDREN
AND ADULTS AT RISK POLICY**

Adopted 12th June 2017

1. INTRODUCTION

Longstanton Parish Council (LPC) recognises the responsibility it has in safeguarding children and adults at risk. It acknowledges that children, young people and adults at risk are best protected from harm by high standards of professional practice. This policy is vital to the Council's role as owner, provider and operator of play areas, recreational open spaces and the support it provides to the youth council.

This policy applies to all staff, councillors, volunteers and contractors or anyone working on behalf of Longstanton Parish Council. Information for this policy has been taken from the NSPCC, Cambridgeshire Local Safeguarding Children's Board and Multi-Agency Safeguarding Hub.

2. PURPOSE

The purpose of this policy:

- is to protect, as far as possible, children, young people and adults at risk who use any facility or environment provided by the council. This includes children of adults who use our services.
- to promote the welfare of all children, young people and adults at risk and to keep them safe.
- to prevent unsuitable people working with children in whatever capacity through the workings of Longstanton Parish Council

3. EQUALITY STATEMENT

LPC understands that the welfare of 'the child' is paramount as enshrined in the Children Act 1989. All children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have a right to equal protection from all types of harm or abuse. LPC is aware that some children can be additionally vulnerable because of the impact of previous experiences, the level of their dependency, communication needs or other issues.

LPC will work in partnership with children, young people, adults at risk, their parents, carers and other agencies to promote young people's welfare.

4. SCOPE

- LPC shall ensure that anyone employed by the council will be appropriately checked for suitability when working with or around children and adults at risk by ensuring that staff are DBS checked (formerly CRB) to a standard disclosure unless informed otherwise in which case an enhanced disclosure shall be applied for and references will be sought.
- LPC will provide staff, councillors, volunteers and contractors with the overarching principles that guide our approach to safeguarding and child protection (see Appendix 2: Code of Conduct: working with children and Adults at Risk)
- LPC will ensure that staff, councillors, volunteers and contractors are aware of the procedure to follow if there is a child protection issue.
- LPC will take advice and guidance from relevant bodies/agencies where appropriate (see appendix 3: Useful contacts).
- The Clerk to Longstanton Parish Council will ensure that all staff, councillors, volunteers and contractors are in receipt of this policy, and acknowledgement forms (as at Appendix 4) are duly completed and returned.
- LPC shall take due consideration to ensure that appropriate training is undertaken by staff, councillors and volunteers as necessary.

- LPC understands and recognises four main types of abuse and will ensure that all staff, councillors, volunteers and contractors are aware of them and alert to types and signs of abuse and the procedure in reporting any concerns. (See Appendix 1: Signs of Child Abuse)

This policy has been drawn up on the basis of the Children Act 2004 and should be read alongside LPC's policies and procedures:

- Code of Conduct
- Equal Opportunities Policy
- Grievance Policy and Procedures
- Health & Safety Policy
- Lone Working Policy
- Press & Media Policy
- Social Media Policy
- Publication Scheme
- Risk Management Policy
- Staff Recruitment Policy

5. REPORTING OF SUSPECTED CHILD ABUSE

- Longstanton Parish Council will listen and value any concerns raised by any child or adult at risk. A Safeguarding Incident Form will be completed (see Appendix 5) and the appropriate authorities contacted where necessary.
- If there is suspicion of abuse or poor practice taking place, there is a clear obligation to report the matter and following consultation with the Chairman, the Clerk will make the final decision to report to the appropriate authority (under delegated powers).
- LPC will ensure that all stages of reporting are documented and marked *CONFIDENTIAL* and stored securely in compliance with the Data Protection Act.
- LPC will use relevant policies and procedures to manage any allegations against staff and volunteers appropriately.
